## Land Information

**Billerica State Forest** is a state owned forest managed by Massachusetts DCR. It is available for public use and offers many opportunities for nature study and hiking trails.

**Rangeway Town Forest** is a town owned forest managed by Billerica's Conservation Commission. It is available for public use and consists of mostly pine forests. The Old Middlesex Turnpike is now a dirt road and runs through the property.

**McDonald Knowles Conservation Land** is a town owned property managed by the Conservation Commission. It is available for public use and consists of forested wetlands that are protected for wildlife. Wetland, grassland, and forested areas provide habitat for a wide variety of wildlife and provides visitors with excellent opportunities for bird watching and nature study.
