

# THE TOWN OF BILLERICA'S COMMUNITY CHOICE POWER SUPPLY PROGRAM CONSUMER NOTIFICATION

November 27, 2017

Dear Billerica Basic Service Consumer:

The Town of Billerica is pleased to announce that Constellation NewEnergy, Inc. ("Constellation") has been selected as the supplier for its Community Choice Power Supply Program ("Program"). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to National Grid Basic Service (M.G.L. c. 164, § 134). This Program only affects the supply portion of your monthly bill. It will not affect the delivery portion of your monthly bill. National Grid will continue to deliver your electricity but Billerica has chosen the supplier for the Program. Constellation will provide electric power supply for all consumers currently on Basic Service in Billerica. This letter is intended to tell you about this Program for electric power supply. In accordance with state law, it also informs you of your rights and options if you choose not to participate in the Program.

- ✓ **YOU WILL BE AUTOMATICALLY ENROLLED IN THIS PROGRAM** unless you choose not to participate and opt-out.
- ✓ **PLEASE RESPOND BY DECEMBER 29, 2017 IF YOU DO NOT WISH TO BE AUTOMATICALLY ENROLLED.**

**YOU WILL NOT NOTICE ANY CHANGE IN YOUR ELECTRICITY SERVICE.** The only difference you will see is that Constellation will be printed under the "Supply Services" section of your monthly bill. You will continue to receive one bill from National Grid. You will continue to send your payments to National Grid for processing. National Grid will continue to respond to emergencies, read meters and maintain the distribution and transmission lines. Reliability and quality of service will remain the same. Furthermore, you will continue to have all existing consumer rights and protections.

### IMPORTANT INFORMATION

- At Program launch, the Residential and Commercial aggregation rate is lower than National Grid's Basic Service rate. The aggregation rate is fixed for 12 months (January 2018 to January 2019) while National Grid's Basic Service rate changes twice a year, in May and November. As a result, the aggregation rate may not always be lower than National Grid's Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against National Grid's Basic Service rate. However, **SUCH SAVINGS AND FUTURE SAVINGS CANNOT BE GUARANTEED.**
- There is **NO PENALTY CHARGE TO OPT-OUT** of the Program and return to National Grid Basic Service.
