Project Purpose (check those that apply):			
<input type="checkbox"/> Acquisition <input type="checkbox"/> Creation <input type="checkbox"/> Preservation <input type="checkbox"/> Support <input checked="" type="checkbox"/> Rehabilitation/Restoration			
Project Summary: Please provide a brief description of the project.			
<p>The Town of Billerica purchased the historic Masonic Hall back in 2019 to preserve a piece of the Town's History and provide space for a number of community programs. The Town has been able to work with the Billerica Food Pantry on the functionality and layout of the first floor of the building, constructing it for their programs needs. The front façade of Masonic Hall is very deteriorated and out of compliance with current ADA code therefore it must be updated to be included in the design plans. Without this update access to the second may be difficult to accomplish because the front of the building won't be able to support such a structure.</p>
