Project Summary:			
<p>For the last five years there's been a demand for a Peace Garden to be built in Billerica. A Peace Garden can be described as a memorial to remember loved ones that died from their struggle with addiction. It is a special place where families, friends, and the greater community can remember and celebrate the lives of those taken by addiction. The Select Board approved a site for the Peace Garden next to Brown's Corner shopping mall in North Billerica, in the area known as Contribution Park. Now the Town needs funding to clean up the area, remove invasive species, and create an area for residents to come and remember their loved ones who died from addiction in Peace.</p> <ul style="list-style-type: none"> - The 2018 OSRP highlights the need for improving the health and wellbeing of Billerica residents through access to open space and recreation. A Peace Garden will not only improve the physical health of Billerica residents but their emotional health as well.
