Project Summary: Please provide a brief description of the project.			
<p>Kohlrausch Park is the primary park for North Billerica residents. Currently it houses a playground without accessibility, small picnic pavilion, walking path, and green space. In the past 5 years, no user group has permitted the field space at Kohlrausch due to drainage issues and lack of parking. We are proposing renovating Kohlrausch Park into a more family-oriented park. This would include the addition of: basketball courts, tennis/pickleball courts, upgrading the playground, expanding the picnic area, as well as other possible amenities and addressing accessibility issues within the park. We are seeking funding for design and build.</p>
