<i>Project Summary: Please provide a brief description of the project.</i>			
<p>The Town of Billerica is seeking \$10,000 from CPA as a match to potential grant funding from the Mass Historic Commission (MHC). If awarded, MHC requires a 50% match which will result in a \$20,000 project that would commence next summer. The purpose of the grant is to hire a consultant to audit the current Historic District and Cultural Resources documentation and establish a plan for filling gaps and updating as needed. Building on the excellent work that preceded it, primarily undertaken by dedicated volunteers, this project will identify and fill gaps in our knowledge to inform good decision making in the near term and help us plan out our preservation activities in the future. The results of this survey audit and updated information will be added to the information on file at the library for the public to access. It will also be available for staff and commissions to utilize to make sound decisions and for realtors and homeowners to understand the historic structures in private hands.</p>
