Project Summary:			
<p>To fund the addition of more garden plots at Vietnam Veterans Park Community Garden. Wayne Smith has been running the community garden for the last ten years and has developed an area suitable for up to 40 families. This is the perfect location because there is running water, supplies for gardening, and more than enough space for expansion. Multiple families want to join but there aren't any plots available therefore we would like to increase the size of the garden to accommodate more people. Currently there are seven families on the waiting list.</p> <ul style="list-style-type: none"> <li>The 2018 OSRP (page 315) identifies a desire to start a Community Garden for teens and seniors, as well as a desire of the CPC to create a stronger partnership with the Community Garden organization (page 12)</li> </ul>
